Today's class was good. I feel that I  
have gotten a lot accomplished, and I  
am leaving Engoal in good standing.

## One - Minute Paper

Today I liked how we went more into detail about our final two papers. As well as talking to you ~~at~~ in person about grades, and any help that we need in the class.

Today we had a projekt class where  
present his final. I saw an example  
of how to do the final. We all so  
did our last morning meditation.  
We wrote digitives for all our classmates.  
We went over our assignment.

## Today's Class

- Today's class went really well in my eyes. I like talking to everyone in a group setting and seeing how everyone is doing.

Catch up will be the best week. ~~But~~ helped me set up my plan to get it done.

The Pass on the adjectives activities  
was my favorite part of today's class.  
Dave's Presentation was very helpful.

Today's class was good I am sad that it is coming to an end because I enjoy everyone in this class. This class has allowed me to grow and become a better writer. I am ready to move on with my writing and progress.

I found it helpful to see Dave present so I can see  
what I need to do and I found it helpful that you explained  
what the final is about and what we need to do

NO PROBLEMS.
